Engel Tumbler

- Engel's 30 oz., stainless steel, vacuum-insulated performance mugs are built to keep your cool in the harshest conditions.
- Taking advantage of the latest vacuum technology, these cups perform up to 6% better than any competitor on the market.
- Whether you're bringing a hot or cold drink along for the ride, the Engel "Ketch-It" lid will ensure you enjoy your drink, not wear it.
- The liquid-tight seal keeps your drinks in the cup when the boat bounces, the truck swerves or you just happen to execute a perfect-form elbow-sweep and take that cup from vertical to horizontal in the blink of an eye.
- And you can shake up that drink that requires a little shakin'.

Taco Marine Marine Lumber Sheets - Starboard

- UV-stabilized marine grade polymer sheet with excellent resistance to sun and saltwater and is the ideal material to produce such features and accessories as electronic boxes, cabinets, tool holders, cup holders, rod holder racks and more.
- Will not rot, delaminate, swell or splinter, and the matte texture requires no painting, finishing or maintenance.
- It can be easily cut, routed, shaped and drilled with standard woodworking tools.
- Individually shrink wrapped.
