

## **PENDULUM WINDOW WIPER**

Cornell-Carr Company manufactures a Pendulum Type Airport and Window Wiper which combines simplicity, efficiency and durability. This motor driven wiper can be readily mounted inboard or can be outside mounted. It is built to resist the severe conditions inherent in navigation. Heated arms on inboard mounted wipers or heated pivots on those that are outside mounted are also available. Wipers can be provided with a window washing/anti-ice feature as well as with a radio frequency interference suppression feature.

All parts are made of corrosion resistant material. The unit is powered by a 110/ 120 AC/DC volt, 1/30 or 1/8 HP motor with a variable rheostat speed control and a shut off switch. Various wiper arm arrangements can be furnished including single, dual arms and parallel blade motion.

Also available is our 12, 24, 32 volts model designed for moderate duty for small boats. The wiping angle is set at a 100° swipe, the housing is watertight and all parts are resistant to salt spray and other corrosive environmental conditions.

The wiper can be mounted above, below or at the side of the windshield frame. The drive shaft supplied can be 3", 4", 5" and 6" depending on wall thickness.

### **Kindness**

**Human kindness has never weakened the stamina or softened the fiber of a free people. A nation does not have to be cruel in order to be tough. *Franklin D. Roosevelt***

**Kindness is a language the dumb can speak and the deaf can hear and understand. *Christian Nestel Bovee***

**You cannot do a kindness too soon, for you never know how soon it will be too late. *Ralph Waldo Emerson***

**BRAINTEASER**  
 If a farmer has 5 hay stacks in one field and 4 in the other field, how many haystacks would he have if he combined them all in the center field?

**ANSWER**  
 One. If he combines all of his haystacks, they all become one big stack.
